Training Lights

Accessories

We offer a wide range of accessories to enable you to get the most from your Sports-Lite training kit.

POWER PACK+ REPLACEMENT BATTERY

A rechargeable lithium battery pack with a max 4h 20m duration, complete with in-built battery level indicator

FAST CHARGER

Fast battery charger for charging the Sports-Lite power packs

MULTI-WAY BATTERY CHARGERS

4-way, 5-way & 6-way battery chargers for charging multiple Sports-Lite battery packs at once.

LIGHT HEAD BAG

Store up to 2 Sports-Lite heads, batteries and chargers safely in this padded weatherproof storage bag

TRIPOD

A light weight 14 foot tripod for use with the Sports-Lite LED light head

TRIPOD BAG

Store Sports-Lite tripods safely in this padded weatherproof storage bag

STABILITY KIT

Add to the centre of the tripod to increase stability in strong wind

FENCE ADAPTOR

A 10 foot height adjustable mast which can be permanently fixed to any fence. Protective padding also available.

\$ Fast payback on initial investment for clubs

The units can be charged in as little as 8.5 hours (charging with the high power charger). They can be charged after the training session and be available for any unexpected training evenings you may have.

Cost to recharge is under 10¢ per Sports-Lite

- Example 8 kit with standard batteries = Less than \$1 per recharge – A lot less than running a generator and with maintenance savings too.
- These figures are based upon 17¢ per KWH electricity cost which is a US average domestic rate. A massive saving when compared with extensive floodlit pitch hire costs!

Charging Options

The **SPORTS-LITE** training kits are a fantastic energy friendly lighting solution with very little energy required to recharge the Sports-Lite's lithium battery packs.

- Fast chargers supplied with units as standard
- 4, 5 or 6-way multi-bank charger to charge multiple units from one plug socket

BATTERY TYPE	PRODUCT CODE	DURATION	CHARGE TIME
Power Pack+ Battery	LSPL/BATT370	4h 20m	8.5 hours

How many lights do I need?

The number of **SPORTS-LITE** training kits required depends on the sport being played and the level of light required.

Experience

Our customer support team are highly experienced in recommending the right number of Sports-Lites for every application and sport.

Testimonials

“These lights are not only portable but do exactly what we need of them, they have given us the ability to train later. We can get more training sessions in the one evening and for a club of our size that is maximising what we can do with our players. We are delighted with the lights and its going to be a future investment for us as well.”

Mark, Albion Colorado

“A great product which is easy set up and taken down from the back of your vehicle. They allow you to train on certain areas of the field which can allow you to work on specific positions. A great product and I would highly recommend.”

Glenn - One Touch Football

Soccer

4 kits (8 lights) for 7v7 area or 8 kits (16 lights) for full 11v11 size field

1 kit (2 lights)
Goalkeeper practice
